OFFICE OF THE SECRETARY

SECRETARY

MoICE/SECR-38/2025-2026/1833

16<sup>th</sup> June, 2026

### NOTIFICATON

The Ministry of Industry, Commerce and Employment (MoICE) would like to inform the general public that the Integrated Business Licensing Services (IBLS) system has been fully implemented for all online business licensing services.

Following the successful stabilization and operation of licensing services for medium and large-scale business, including registration and approval of Foreign Direct Investment (FDI) projects, all services related to the issuance of new business licenses/certificates, renewal, cancellation, and modification business licenses are now available through the IBLS system at <http://www.ibls.systems.gov.bt>.

All business licensing services previously available through the G2C system have been completely discontinued with effect from 3<sup>rd</sup> June 2026. Therefore, all applicants are requested to use the IBLS system for the new business licenses /certificates and related services.

Further, all business licensing applications shall be submitted online through the IBLS system and manual/paper applications will no longer be accepted.
